

GREAVEBURN

by
Craig Hallam

A Hero Murdered. A Girl Alone.
A City of Villains.

From the crumbling Belfry to the Citadel's stained-glass eye, Greaveburn is a city with darkness at its core. Gothic spires battle for height, overlapping each other until the skyline is a jagged mass of thorns.

Archduke Choler sits on the throne, his black-sealed letters foretell death for the person named inside. Abrasia, the rightful heir, lives as a recluse in order to stay alive. With her father murdered and her only ally lost, Abrasia is alone in a city where the crooked Palace Guard, a scientist's assistant that is more beast than man, and a duo of body snatchers are all on her list of enemies.

As Greaveburn is torn apart around her, can Abrasia avenge her father's murder before the Archduke's letter spells her doom?
