

QUEEN OF THE WORLD

by
Ben Hennessy

In the legends, The Four saved the world from war and poverty.

These incredible men walked the lands, seeking an audience with the ruler of each nation. They demanded that mankind focus its efforts on education, trade and culture. No longer would the people face starvation and terror. This commandment was enforced with displays of miraculous power. After all, it is difficult to argue with the Gods. Once finished, The Four left with a promise: If ever your people fall back into darkness, then we shall return.

Now, over five centuries later, Sarene grows tired of her village life. Suffocated by the confines of her surroundings and the overbearing protection of her family, she yearns to have an adventure of her own.

But the world outside is not as tranquil as it seems. And Sarene is already in danger...
