

THE ADVENTURES OF ALAN SHAW

by
Craig Hallam

Escaping the workhouse was only the beginning of Alan Shaw's adventures.

For an orphan growing up on the streets of Victorian London, staying alive is a daily battle filled with choices a child should never have to make.

Then Alan is offered more money than he can imagine; enough to take him to the new world and a new life. He only has to do one thing first - something that could bring the British Empire to a grinding halt.

In a series of adventures that take him from sea to sky, from Brighton to Bombay, Alan grows up in a steam-driven era where Automatons walk the London streets and dirigibles master the air. Pitted against mad alchemists, tentacled submersibles, and the cult of the Ordo Fenris, Alan has his work cut out for him.

With a past as dark as his, who knows what Alan might grow up to be?

RELEASED: September 2014

ABOUT THE AUTHOR

Craig likes to think that his books are about real people who live in impossible worlds. Whether his books are Fantasy, Horror, Steampunk, or Sci-fi, Craig loves to go wherever the stories may take him.

PRAISE

"Plots bound along at a cheerful pace, characters are always rounded enough to engage, disaster is narrowly avoided. If you want to balance wild escapism with the option of dwelling on the implications, Alan Shaw is a very good read."

– Nimue Brown, author of *Hopeless, Maine*
