

WISE PHUUL

by
Daniel Stride

Walking corpses and black-market liquor:
the quiet life.

Teltö Phuul, Necromancer and Library Clerk, likes his days safe and predictable. Not for him the intrigues of the Viiminian Empire, a gothic monstrosity held together by sheer force of will.

Until the Empire's dreaded secret police come knocking. Caught in a web of schemes in the diseased heart of Kuolinako, the underground Imperial capital, Teltö can trust no-one. Not the Northern theocrats who abhor Necromancy, and certainly not the Grand Chancellor, whose iron-fisted rule has kept the old order alive that little bit longer.

When one false step means torture and disappearance, this journey will change our Necromancer forever.
